

mmarz is a Los Angeles-based music collective founded by Max Salty, Mikayla (Ruling Planet), Ariella (Saffron), Radha and Zach. Along with guest DJs from around the globe, mmarz releases a new mixtape each and every Thursday, highlighting music from all corners of the soundscape, from disco to downtempo to dancehall.

Summer Dream is an exclusive mix for 3 Hole Press and Wendy's Subway, featuring tracks selected by all five of mmarz's founders. Put this one on for an hour of unhurried, contemplative tunes for a hazy summer afternoon. If you enjoy the diversity of sounds here, check out their website at mmarzmix.com for a whole library of mixes for every mood.
